

Oscar Health Leadership Institute

Mario Schlosser

CEO

Mario Schlosser is the CEO and co-founder of Oscar, a leading health insurer built to make health care easy. His background in technology and data have helped humanize and simplify the healthcare experience for more than 560,000 current members at Oscar.

Who Is Oscar?

Oscar is **reimagining healthcare** with the mission of making a healthier life **accessible** and **affordable** for all.

We are the first health insurance company built around a **full stack technology platform** that helps consumers, providers and payers alike **better navigate** the U.S. healthcare system.
